	List menu	<ul style="list-style-type: none"> <li>Tap to open the list menu.</li> </ul>

## Getting started

1. Insert a memory card.

2. Press and hold the power key to power on your tablet.

## Charging your tablet

Connect your tablet to a power outlet by using the included USB cable and travel charger.

## Finger tips

• Tap

• Hold

• Swipe

• Slide

• Zoom in

• Zoom out

• Scroll

• Flick

## Home screen

Your Home screen is the starting point to access all of the tablet's features. The Home screen can have multiple panels. To view other panels, swipe left or right.

### Add an app icon to home screen

On the Home screen, tap  to open list menu, tap and hold an application icon, and then drag it into a panel preview.

### Set wallpaper

1. Tap and hold the blank area on the Home screen.
2. Select one of the following: **Gallery**, **Live wallpapers** or **Wallpapers**.
3. Select an image and tap **Set wallpaper**. Or, select an image, resize it by dragging the frame, and then tap **OK**.

## Use your apps

Open an app

- On the Home screen or the main menu, select an app icon to open it.

## Connect to internet

Your tablet connects to the Internet whenever necessary, using a Wi-Fi connection (if available).

### Connect to a wireless network

Connect the device to a Wi-Fi network to use the Internet or share media files with other devices. To use Wi-Fi, you need access to a wireless point or hotspot.

1. On the home screen or list menu, tap **Settings**, and then tap **Wi-Fi** to turn on it.
2. Detected Wi-Fi networks will be listed in the Wi-Fi networks section.
3. Tap the desired Wi-Fi network you want to connect.

If you selected a secured network, you'll be asked to enter the network key or password.
